Crime Assault Deadly Weapon  
Disposition Sent to Juvenile Court 7/5/19

Released from custody 7/30/19. Woman assaulted refused to prosecute.  
Struck her aunt over head with a heavy club.  
Admitted he wanted to steal his middle aged aunt's  
then rape her, after which he was going to kill  
her and himself with a pistol.

Note by Max P. Fisher. The peculiar feature of the  
boy's case would almost lead me to view the un-  
provoked assault upon his middle aged aunt as  
the act of a sadist in preliminary stage. It  
would be well to keep this case in mind for  
future possible clues in cases where women were  
assaulted before being raped like the case of  
Negro Run, who framed several middle aged  
female christian science practitioners in Los Angeles  
and San Diego.

Cross and a short man, who is the brains of the job, met Diego Tostorina in card game at Reno, learning he had money in Sacramento, they got him to come to Reno with them draw \$500 from bank to cover their \$500 to invest in a liquor deal which would net \$25,000 profit to be divided 50-50. This may be Cross' first attempt at Beunco. Was nabbed as he was steering Tostorina with his \$500 in pocket to Capitol Park to meet #2 where no doubt the switch was to come off.
